

McClane Elected State Secretary of OAVCC

09.22.2009

Christina McClane, coordinator of the enrollment center in the SWOSU Registrar's Office, was recently elected secretary of the Oklahoma Association of Veterans Coordinators and Counselors.

She will serve in the statewide position from July 1, 2010 through June 30, 2011.

OAVCC is an organization that advocates, promotes and enhances the educational, training and employment opportunities for veterans. SWOSU, which was recently named a military friendly school by G.I. Jobs, works with and advises veterans on course selection as the veterans work on completing their various degrees.

McClane, who is a graduate of SWOSU and has worked two years in the SWOSU Registrar's Office, was elected to the position at the annual conference held at Western Hills Lodge. All colleges and universities in Oklahoma are part of the organization.

Bob Klaassen, registrar at SWOSU, serves on the OAVCC Executive Committee and is past president of the organization.
